HAZARDOUS WASTE

Chemicals, paint, electric light bulbs, batteries, fireworks, poison, medicine, needles, etc. should be delivered to the Recycling Station, pharmacy, paint shop, or one of the municipal waste sorting schemes.

Read more on gladsaxe.dk/affald

BUILDING WASTE AND SANITATION

Must be delivered to the Recycling Station

For example:

BULKY WASTE – read more on gladsaxe.dk/affald

If you live in an apartment building: Talk to your caretaker about how to dispose of bulky waste and hazardous waste.

Also use the Recycling Station on Turbinevej 10, 2860 Søborg. Open daily from 9.00 am to 6.00 pm

Except for certain public holidays – see gladsaxe.dk/genbrugsstation

Wood, clothes and textiles taken to the Recycling Station will be recycled.
